Burnout

The image shows a person with dark hair, wearing a dark t-shirt, sitting at a wooden desk. They have their head buried in their hands, suggesting stress or exhaustion. In front of them are two laptops. The laptop on the left is open and displays a grid of small images, possibly a photo gallery or a social media feed. The laptop on the right is also open and displays a social media interface, likely Facebook, with a list of posts and a chat window. To the right of the laptops, there is a white mug on a saucer. In the background, there is a large window with a view of trees outside. To the left, there is a potted plant on a shelf. To the right, there is a staircase with a wooden railing. The overall atmosphere is one of a busy, cluttered home office.
